<b>South Taranaki District</b>	121 public houses

## Transitional Housing

Transitional housing provides warm, dry and safe short-term accommodation for people in need, along with tailored social support while they're there. Transitional housing is managed by contracted providers, who are skilled in supporting tenants with a range of social and tenancy-related services, and are also responsible for maintaining the properties.

The transitional housing programme is led by MSD and Housing New Zealand and involves local councils and emergency housing providers.

People living in transitional housing pay rent of up to 25% of their income, which is in line with income-related rents for public housing. The balance is subsidised to providers by MSD.
