Report REP/22/2/050 and A3 Appendix 1 provide a 2021 progress report to the Minister on Mahi Aroha: Carers' Strategy Action Plan 2019-2023.

Some parts of this information release would not be appropriate to release and, if requested, would be withheld under the Official Information Act 1982 (the Act). Where this is the case, the relevant sections of the Act that would apply have been identified. Where information has been withheld, no public interest has been identified that would outweigh the reasons for withholding it. This is the key to the redaction codes used for this release:

- Section 9(2)(a) – to protect the privacy of natural persons
- Out of scope - material unrelated to the information released.

The A3 Appendix 1 has an error in the title: The appendix contains information about progress on Mahi Aroha actions in 2021, not 2022 as written.

The A3 Appendix 1 has an error under Action 1.4 in the fifth column: The "Whataboutme?" survey did not reach 14,000 people due to COVID disruptions. We will aim to have a more accurate figure included in any future reporting. This does not substantively change the outcome of progress on the action.
