

# Maxaan sameyn karaa si aan u caawiyo bulshadeyda?

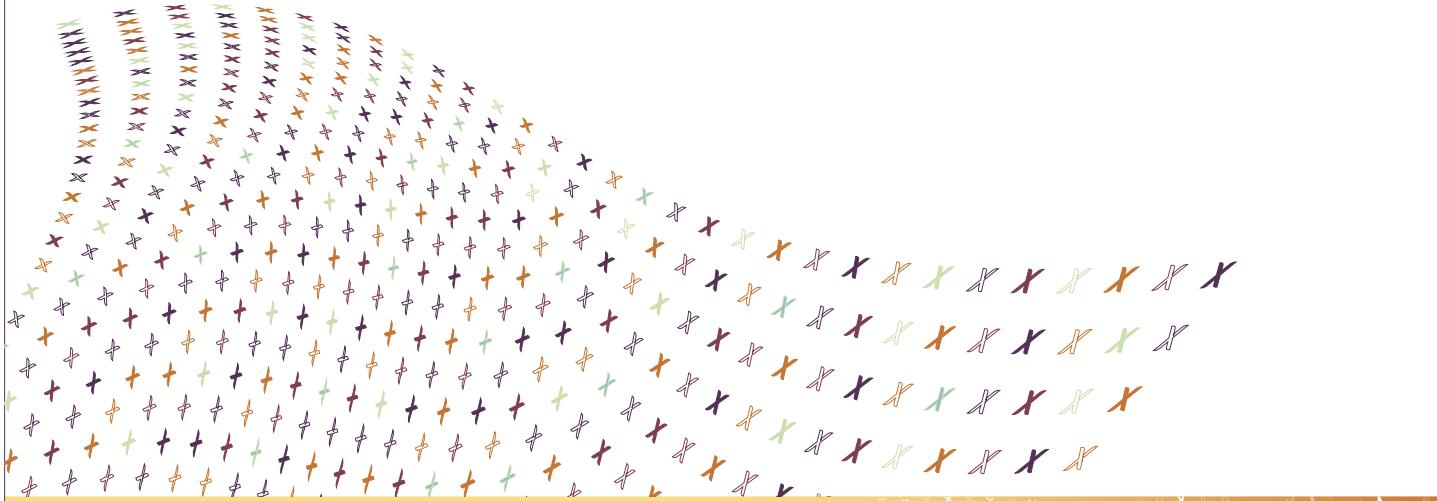

## Social Cohesion Guide for Communities

### Ka mid ahaanshaha bulshooyinka

Waxaan u abuurnaa bulshooyinka sababo badan, waxaa laga yaabaa inaad qayb ka noqotid qoys, dugsi, goob shaqo, koox ciyaartoy, kaniisad, waxaa laga yaabaa inaad luqad cusub la barato dadka kale ama aad la wadaagto hiwaayad. Bulsho kasta oo aad ku jirto, waxaad dareentaa wanaag inaan ka mid noqono, in aad dareento in loo dhanyahay, in aad naftaada noqoto oo aad wax ka mid noqoto.

Dhammaanteen waan kala duwannahay, laakiin waxaan rabnaa inaan isla socono, waxaan u dabaaldageynaa kala duwanaanshaheena oo aan ixtiraamno dadka kale xitaa markii aan ku khilaafno. Tani waa muhiim sababtoo ah ma ahan in qof walba uu dareemo inay noqon karaan cida ay yihiin ama aaminsanyihiin in codkooda la maqli doono.

Waxaan nahay wadan aad u kala duwan oo ay ku nool yihiin bulshooyin badan oo kala duwan, waxaana loo baahan yahay in la helo qaabab aan isku dhegeysanno oo aan is maqalno. Waxaan rabnaa inay naga go'naato inaan fahamno kala duwanaanshaheena iyo awoodaheena oo aan ka shaqeeyno waxa na mideeya iyo waxa isku keyn soo dhaweyo.

## **Ka mid ahaanshaha**

# **– waxa ay u egtahay**

Bulsho meesha dadka si fiican isku fahmaan, oo aan: is naqaano, naqaano dariskeena, dareeno goob shaqo loo dhanyahay, oo aan naqaano meesha loo aado caawin markii aan u baahannahay. Waxaan dareenaa inay noo suurtogaleysa inaan la hadalno dadka aan caadi ahaan ula hadlin, aan ka hadalno markii aan maqalno dad dhahayo waxyaabo takoorid ah, oo aan xor u nahay inaan la wadaagno cida aan nahay, halka aan ka nimid, iyo sida aan waxyaabaha u sameeyno. Markii ay dhibaato jirto qofna gadaal ugama tagno; oo qof walba lagu daro.

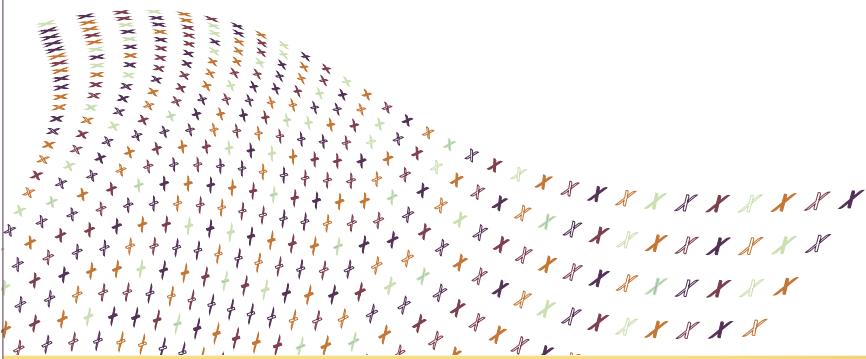

## **Dhisida ka mid ahaansho badan**

# **– waxa aad sameeyn kartid**

Haddaba, maxaan ka sameeyn karnaa bulshooyinkeena si aan ugu caawino dad badan ka mid ahaanshaha, qaadanaa kala duwanaanshaha, dareeno isku xirnaan, ka qeyb qaadano, aamino dadka kale, dareeno ixtiraam?
