Oranga Tamariki—Ministry for Children

Title:	Psychologist
Group:	Services for Children and Families
Reports to:	Manager Specialist Services or Psychologist Team Leader
Location:	As specified
Direct Reports:	No
Budget:	No

OUR ORGANISATION

About us

Oranga Tamariki—Ministry for Children is a Ministry dedicated to supporting any child in New Zealand whose wellbeing is at significant risk of harm now, or in the future. We also work with young people who may have offended, or are likely to offend. Our belief is that in the right environment, with the right people surrounding and nurturing them, any child can, and should flourish.

Our vision

Our vision is: New Zealand values the wellbeing of tamariki above all else.

Our purpose

Our purpose is: To ensure that all tamariki are in loving whānau and communities where oranga tamariki can be realised.

The Oranga Tamariki way

We've introduced a new way of doing things. A way of looking at the world that guides everything we do:

Our core outcomes

Our core outcomes are:

- All children and young people are in loving families and communities where they can be safe, strong, connected, and able to flourish
- Improved outcomes for all children, especially tamariki and rangatahi Māori.

POSITION PURPOSE

The Psychologist role provides expert advice and specialist services for some of the most vulnerable individuals in Aotearoa. These services occur in situations where tamariki and rangatahi are reported at risk of abuse, neglect or deprivation, or exhibit harmful behaviours.

The Psychologist is accountable for specialist assessments, consultations and evidence-based treatments and interventions of tamariki, rangatahi, matua and whānau involved with Oranga Tamariki. Working as an integrated service with partner agencies these services seek to achieve the reduction of measured trauma and psychopathology to affect the enhancement of entire wellbeing and achieving positive life outcomes for tamariki, rangatahi and whānau.

Psychologists also provide expert consultation and evidence based advice to inform decisions on Social Worker case management, expert evidence for judicial hearings and Family Group Conferences. Further consultation and specialist advice is offered to other professionals and community agencies locally and nationwide.
